

Field number	Species	Location
WTH 001, 2000	<i>M. cadereytensis</i> (?) (QRO).	A few km north of Higuierillas, beside the road.
WTH 002, 2000	<i>M. schiedeana</i> (GTO).	On canyon walls, Las Adjuntas (east of Xichu).
WTH 003, 2000	<i>M. albiflora</i> (GTO).	South of Pozos (2 locations).
WTH 004, 2000	<i>M. perbella</i> (GTO).	At the southerly <i>albiflora</i> location, and south of it.
WTH 011, 2000	<i>Mammillaria lasiacantha</i> (COAH).	On a hill south of Cuatrociénegas, opposite the recreation area (COAH). is probably SB 500.
WTH 014, 2000	<i>Mammillaria heyderi</i> (COAH).	In the flat areas to the northwest of Estacion Marte (close to the graveyard).
WTH 017, 2000	<i>Mammillaria meiacantha</i> (NL).	San Roberto, flat area south of retusus hill.
WTH 018, 2000	<i>Mammillaria pottsii</i> (ZAC).	East of San Tiburcio.
WTH 019, 2000	<i>Mammillaria microthele</i> (SLP).	First hill on the road to Palomas.
WTH 020, 2000	<i>Coryphantha</i> (SLP).	In the flat parts before the same hill.
WTH 021, 2000	<i>Mammillaria prolifera</i> (SLP).	See WTH 281. San Francisco.
WTH 022, 2000	<i>Coryphantha maiz-tablasensis</i> (SLP)	In flat areas near San Francisco (SLP).
WTH 023, 2000	<i>Mammillaria candida</i> (SLP).	East of Rio Verde (SLP), on the hills on both sides of the road, ML 665 is identical.
WTH 025, 2001	<i>Mammillaria compressa</i> (QRO).	On the hill behind the graveyard.
WTH 030, 2001	<i>Mammillaria albata</i> (SLP).	About 18 km east of Rio Verde, north side of the road, past the first hill.
WTH 031, 2001	<i>Mammillaria centralifera</i> (SLP).	About 18 km east of Rio Verde, north side of the road, on the first hill.
WTH 032, 2001	<i>Mammillaria albata</i> (SLP).	Higher up a hill at the south-west side of San José del Tepanco.
WTH 033, 2001	<i>Mammillaria rioverdense</i> (?).	Higher up a hill at the south-west side of San José del Tepanco.
WTH 035, 2001	<i>Coryphantha maiz-tablasensis</i> (SLP).	Just past Santo Domingo, in meadows, south side of the road.
WTH 036, 2001	<i>Mammillaria centralifera</i> (SLP).	Hills to the east of the stadium at Cerritos.
WTH 040, 2001	<i>Mammillaria candida</i> (SLP).	In open areas between the bushes along the east side of the road from Pozo de Acuña to Derramaderos.
WTH 042, 2001	<i>Mammillaria microthele</i> (SLP).	North of La Hincada, hill east of the road.
WTH 043, 2001	<i>Mammillaria surculosa</i> (SLP).	Same hill as WTH 042.
WTH 045, 2001	<i>Mammillaria candida</i> (SLP).	hill on the road to Palomas.
WTH 046, 2001	<i>Mammillaria surculosa</i> (SLP).	First hill on the road to Palomas, some plants on the hill, mainly on the north-west side.
WTH 050, 2001	<i>Mammillaria candida</i> (TAMPS).	Flat area, in bushes, to the north-east of Palmillas.
WTH 051, 2001	<i>Mammillaria viereckii</i> (TAMPS).	In forest along the south side of the road to Avila y Urbina.
WTH 052, 2001	<i>Mammillaria candida</i> (TAMPS).	On the hill that lies just west of Magdaleno Aguilar.
WTH 053, 2001	<i>Mammillaria klissingiana</i> (TAMPS).	At the picnic area El Salto (close to the river).
WTH 054, 2001	<i>Mammillaria candida</i> (TAMPS).	In the bushes along the north side of the road to Miquihuana.
WTH 055, 2001	<i>Mammillaria viereckii</i> (TAMPS).	See WTH 054.
WTH 056, 2001	<i>Mammillaria candida</i> (TAMPS).	Along the unpaved road that leads north to Jaumave, ca. 15 km south of Jaumave.
WTH 060, 2001	<i>Mammillaria candida</i> (TAMPS).	On a hill to the south of the road, near Las Flores.
WTH 063, 2001	<i>Mammillaria candida</i> (NL).	On a hill (west of the road) at km 91 of the road to Dr. Arroyo.
WTH 064, 2001	<i>Mammillaria albicoma</i> (NL).	On a hill (west of the road) at km 91 of the road to Dr. Arroyo.
WTH 067, 2001	<i>Mammillaria heyderi</i> aff. (NL).	In flat areas along the road from Dr. Arroyo to La Escondida.
WTH 068, 2001	<i>Mammillaria picta</i> (NL).	In flat areas along the road from Dr. Arroyo to La Escondida.
WTH 072, 2001	<i>Mammillaria sempervivi</i> (NL).	On a slope along the east side of the road, mountains north of La Ascension.
WTH 077, 2001	<i>Mammillaria candida</i> (NL).	In the canyon below the Ario hill.
WTH 080, 2001	<i>Mammillaria meiacantha</i> (NL).	In the grass east along the road from Cienega del Toro to El Castillo.
WTH 085, 2001	<i>Mammillaria heyderi</i> aff. (COAH).	On the hills to the north of General Cepeda. (<i>meiacantha</i> ?)
WTH 086, 2001	<i>Mammillaria pottsii</i> (COAH).	See WTH 085
WTH 090, 2001	<i>Mammillaria heyderi</i> (COAH).	In the flat area before the mountains.

WTH 091, 2001	<i>Mammillaria heyderi</i> (COAH).	New part of the road from Monclova to Saltillo, around km 121.4.
WTH 092, 2001	<i>Mammillaria lasiacantha</i> (COAH).	Almost on top of the hill to the south-east of Antiguos Mineras del Norte.
WTH 098, 2001	<i>Mammillaria grusonii</i> (COAH).	On the top of the same hills (north side).
WTH 101, 2001	<i>Mammillaria parrasensis</i> (COAH).	In the flat areas, closer to the road.
WTH 102, 2001	<i>Mammillaria magallanii</i> (COAH).	San Francisco, a village close to the highway (ML 534).
WTH 104, 2001	<i>Mammillaria winterae</i> (NL).	Just north of San Rafael, at the edge of the mountains, grows mainly in the bushes.
WTH 105, 2001	<i>Mammillaria formosa</i> (NL).	See WTH 104.
WTH 110, 2001	<i>Mammillaria candida</i> (NL).	See WTH 111
WTH 111, 2001	<i>Mammillaria formosa</i> (NL).	In flat area and on a low hill, further south than Raices.
WTH 112, 2001	<i>Mammillaria heyderi</i> aff. (NL).	See WTH 111 (<i>meiacantha</i> ?).
WTH 116, 2001	<i>Mammillaria candida</i> (NL).	See WTH 118.
WTH 117, 2001	<i>Mammillaria heyderi</i> aff. (NL).	See WTH 118 (<i>meiacantha</i> ?).
WTH 118, 2001	<i>Mammillaria formosa</i> (NL).	Many plants on the hill just south of La Presa.
WTH 119, 2001	<i>Mammillaria heyderi</i> aff. (NL).	On the flat area before the hill of WTH 121 (<i>meiacantha</i> ?).
WTH 120, 2001	<i>Mammillaria candida</i> (NL).	Higher up the hill of WTH 121.
WTH 121, 2001	<i>Mammillaria formosa</i> (NL).	Higher up the hill east of the road, north of Sandia (a bit <i>microthele</i> -like).
WTH 122, 2001	<i>Mammillaria albicoma</i> (NL).	On the top of the hill.
WTH 130, 2001	<i>Mammillaria paulii</i> (SLP).	In flat area, volcanic terrain, just south of Realejo, form of <i>M. longimamma</i> .
WTH 131, 2001	<i>Mammillaria aureilanata</i> (SLP).	On the top of a hill, north of the old road to Cerritos.
WTH 132, 2001	<i>Mammillaria candida</i> (SLP).	On the same hill.
WTH 134, 2001	<i>Mammillaria aureilanata</i> (SLP).	Just to the west of MEX-57.
WTH 135, 2001	<i>Mammillaria orcuttii</i> (SLP).	To the north of the road, on rocks (Valle de los Fantasmas).
WTH 136, 2001	<i>Mammillaria erythrosperma</i> (SLP).	A few plants found, one plant close to the road (Valle de los Fantasmas).
WTH 137, 2001	<i>Mammillaria candida</i> (SLP).	On the hill at the recreational area at El Jabali.
WTH 139, 2001	<i>Mammillaria centralifera</i> (SLP).	See WTH 137.
WTH 140, 2001	<i>Mammillaria prolifera</i> (SLP).	See WTH 137.
WTH 141, 2001	<i>Mammillaria centralifera</i> (SLP).	On the hills to the west of Labor Vieja.
WTH 142, 2001	<i>Mammillaria uncinata</i> (GTO).	Mainly in the flat area before reaching the duwei hills.
WTH 143, 2001	<i>Mammillaria crinita</i> (duwei) (GTO).	On the hills, from top to bottom, road to Xichú.
WTH 145, 2001	<i>Mammillaria uncinata</i> (GTO).	On a gentle slope south of San Luis de la Paz.
WTH 146, 2001	<i>Mammillaria muehlenpfordtii</i> (GTO).	See WTH 145.
WTH 147, 2001	<i>Mammillaria vagaspina</i> (GTO).	On the west side of the road, south of Pozos.
WTH 148, 2001	<i>Mammillaria zephyrantoides</i> (GTO).	See WTH 147.
WTH 149, 2001	<i>Mammillaria compressa</i> (QRO).	Santa Maria del Mexicano. On the hills to the north of the barranca (sunny position). <i>M. bernalensis</i> ?
WTH 150, 2001	<i>Mammillaria polythele</i> (<i>kelleriana</i>) (QRO).	On the shady side of the barranca, steep hill. <i>M. polythele</i> form.
WTH 151, 2001	<i>Mammillaria microhelia</i> (QRO).	See WTH 150.
WTH 152, 2001	<i>Mammillaria longimamma</i> (QRO).	On a low hill to the south of Bella Vista del Rio.
WTH 153, 2001	<i>Mammillaria compressa</i> (QRO).	See WTH 152.
WTH 154, 2001	<i>Mammillaria elongata</i> (QRO).	See WTH 153.
WTH 156, 2001	<i>Mammillaria magnimamma</i> (HGO).	About 10 km north of Zimapan, along the main road, hills on the south / west side.
WTH 157, 2001	<i>Mammillaria polythele</i> (HGO).	See WTH 156.
WTH 158, 2001	<i>Mammillaria compressa</i> (HGO).	To the south of Tasquilo, a hill somewhat south of the main road..
WTH 159, 2001	<i>Mammillaria elongata</i> (HGO).	In the flat area before the hills, north of Cardonal.
WTH 160, 2001	<i>Mammillaria longimamma</i> (HGO).	About 500 m to the east of Metztitlan, hill north of the road.
WTH 161, 2001	<i>Mammillaria geminispina</i> (HGO).	See WTH 160.
WTH 163, 2002	<i>Mammillaria duiformis</i> (PUE).	On a hill east of the main road (MEX-190).
WTH 164, 2002	<i>Mammillaria solisioides</i> (PUE).	Just south of Chila, near a quarry.

WTH 165, 2002	<i>Mammillaria solisioides</i> (OAX).	In meadows on gentle slopes south of Huajuapán de León.
WTH 166, 2002	<i>Mammillaria casoi</i> (OAX).	On hills near Concepción Buenavista.
WTH 167, 2002	<i>Mammillaria flavicentra</i> (OAX).	See WTH 167, along the side of a barranca. On hills near Concepción Buenavista, in patches of grass on limestone slopes.
WTH 168, 2002	<i>Mammillaria hernandezii</i> (OAX).	
WTH 169, 2002	<i>Mammillaria sphacelata</i> (PUE).	Under bushes on a slope west of a small village with mines.
WTH 170, 2002	<i>Mammillaria napina</i> (PUE).	ML 273 (MEX-150), near Cañada Morelos.
WTH 171, 2002	<i>Mammillaria pectinifera</i> (PUE).	Growing together with <i>M. napina</i> and growing closer to the road.
WTH 172, 2002	<i>Mammillaria pectinifera</i> (PUE).	A few km south of Tecamachalco.
WTH 173, 2002	<i>Mammillaria haageana</i> aff. (PUE).	See WTH 173.
WTH 174, 2002	<i>Mammillaria karwinskiana</i> (PUE).	In flat terrain just south of Tecamachalco.
WTH 176, 2002	<i>Mammillaria pseudocrucigera</i> (HGO).	On the slope of a hill to the northeast of Cardonal.
WTH 178, 2002	<i>Mammillaria magnimamma</i> (HGO).	In grassy patches alongside the road, just north of El Cube.
WTH 181, 2002	<i>Mammillaria longimamma</i> (QRO).	On a small volcanic hill at Cerro Prieto.
WTH 184, 2002	<i>Mammillaria herrerae</i> (QRO).	East of Bella Vista del Río, on slopes near the canyon.
WTH 188, 2002	<i>Mammillaria dumetorum</i> (SLP).	On a gentle slope south of Río Verde.
WTH 191, 2002	<i>Mammillaria pilispina</i> (SLP).	Between the bushes, WTH 038 location.
WTH 196, 2002	<i>Mammillaria albata</i> (SLP).	South-west of Villa Juárez on a hill at a quarry.
WTH 200, 2002	<i>Mammillaria klissingiana</i> (TAMPS).	Hill west of the road, close to Monte Redondo.
WTH 201, 2002	<i>Mammillaria viereckii</i> (TAMPS).	See WTH 200.
WTH 202, 2002	<i>Mammillaria roseoalba</i> (TAMPS).	In almost flat terrain, often under bushes, a little before San Vicente.
WTH 206, 2002	<i>Mammillaria albicoma</i> (NL).	On a hill to the south of Sandía El Grande.
WTH 207, 2002	<i>Mammillaria weingartiana</i> (NL).	In stony meadows to the north-west of La Ascención.
WTH 209, 2002	<i>Mammillaria weingartiana</i> (NL).	In meadows west of the main road, near San Juanito de Solís.
WTH 215, 2002	<i>Mammillaria rayonensis</i> (NL).	Canyon walls along the old road of Rayones to Galeana. On steep canyon walls and in the large flat bushy area before entering the canyon area. Between Saltillo and Monterrey.
WTH 217, 2002	<i>Mammillaria melanocentra</i> (NL).	
WTH 218, 2002	<i>Mammillaria plumosa</i> (NL).	On a steep canyon wall.
WTH 224, 2002	<i>Mammillaria parrasensis</i> (COAH).	Flat areas west of Parras.
WTH 226, 2002	<i>Mammillaria grusonii</i> (COA).	On a hill close to El Amparo (south of the village).
WTH 227, 2002	<i>Mammillaria lenta</i> (COA).	On a hillside east of Viesca (road to Ahuichila), Sierra Marmoleja.
WTH 228, 2002	<i>Mammillaria grusonii</i> (COA).	See WTH 227.
WTH 229, 2002	<i>Mammillaria lasiacantha?</i> (COA).	See WTH 227.
WTH 231, 2002	<i>Mammillaria lenta</i> (COA).	On a hillside (north facing) east of Viesca.
WTH 233, 2002	<i>Mammillaria pottsii</i> (DGO).	Hill west of Bermejillo.
WTH 234, 2002	<i>Mammillaria pennispinosa</i> (DGO).	Volcanic, rocky hill ca. 17 km west of Bermejillo (ML 632).
WTH 236, 2002	<i>Mammillaria stella-de-tacubaya</i> (DGO).	Between Nazas and Rodeo (DGO).
WTH 238, 2002	<i>Mammillaria theresae</i> (DGO).	North side of Coneto pass, in grassy patches on limestone slabs.
WTH 239, 2002	<i>Mammillaria longiflora</i> (DGO).	See WTH 238.
WTH 240, 2002	<i>Mammillaria gummifera</i> (DGO).	See WTH 238.
WTH 242, 2002	<i>Mammillaria stella-de-tacubaya</i> (DGO).	On hills between Rodeo and Nazas (north side of the road).
WTH 245, 2000	<i>Mammillaria sanchez-mejoradae</i> (NL).	On two low hills west of MEX-57, north of Entronque San Roberto.
WTH 251, 2002	<i>Mammillaria pilispina</i> (SLP).	On a hill east of Santa Rita (north facing slope).
WTH 254, 2002	<i>Mammillaria crinita</i> (tezontle) (SLP).	On volcanic rock on a hill south of San Lorenzo (east side of highway).
WTH 255, 2002	<i>Mammillaria vagaspina</i> (SLP).	On the same hill as WTH 254.
WTH 256, 2002	<i>Mammillaria uncinata</i> (SLP).	On the same hill as WTH 254.
WTH 257, 2002	<i>Mammillaria aureilanata</i> (SLP).	On the lower parts of hills east of the tezontle hill.
WTH 258, 2002	<i>Mammillaria centralifera</i> (SLP).	On a hill west of Río Verde (north side of road), rather densely vegetated hill.
WTH 259, 2002	<i>Mammillaria dumetorum</i> (SLP).	See WTH 258.
WTH 260, 2002	<i>Mammillaria albiflora</i> (GTO).	On gentle slopes east of the road, south of Pozos, several colonies.
WTH 262, 2000	<i>Mammillaria pseudocrucigera</i> (QUE).	On the hills a little east of Bernal.

WTH 265, 2004	<i>Mammillaria parkinsonii</i> (QUE).	See WTH 264, also on top of the hill on the east side of the river .
WTH 267, 2000	<i>Mammillaria parkinsonii</i> (QUE).	On a hill, ca. 1 km on the road to Peñamiller.
WTH 277, 2000	<i>Mammillaria lenta</i> (COAH).	On the hills along the road from Viesca to Ahuichila.
WTH 282, 2003	<i>Mammillaria zephyrantoides</i> (GTO).	In the <i>M. albiflora</i> area, south of Pozos.
WTH 283, 2003	<i>Mammillaria muehlenpfordtii</i> (GTO).	Along the road to Xichú.
WTH 284, 2003	<i>Mammillaria albiflora</i> (GTO).	On the top of a hill northeast of La Merced.
WTH 285, 2003	<i>Mammillaria pseudocrucigera?</i> (GTO).	See WTH 284.
WTH 286, 2003	<i>Mammillaria albiflora</i> (GTO).	East of Pozos, top of hill. <i>M. albiflora</i> grows across the whole slope.
WTH 287, 2003	<i>Mammillaria perbella</i> (GTO).	See WTH 286.
WTH 288, 2003	<i>Mammillaria gigantea</i> (GTO).	South of San Luis de la Paz, west of the road, close to the mountains.
WTH 289, 2003	<i>Mammillaria crinita</i> aff. (GTO).	South of Estancia de El Cubo, on large rocks.
WTH 290, 2003	<i>Mammillaria formosa</i> (ZAC).	On the top of a hill north of Pinos.
WTH 292, 2003	<i>Mammillaria wagneriana</i> (ZAC).	West of El Cargadero.
WTH 293, 2003	<i>Mammillaria jaliscana?</i> (ZAC).	See WTH 292.
WTH 294, 2003	<i>Mammillaria wagneriana</i> (ZAC).	Along the road between El Cargadero and Lobatos.
WTH 296, 2003	<i>Mammillaria wagneriana</i> (ZAC).	West of Monte de los Garcia.
WTH 297, 2003	<i>Mammillaria wagneriana</i> (ZAC).	Between Villa Hermosa and Lobatos.
WTH 298, 2003	<i>Mammillaria cowperae</i> (ZAC).	A little east of Los Hornillos.
WTH 299, 2003	<i>Mammillaria wagneriana</i> (ZAC).	See WTH 298, on the lower parts of the slope.
WTH 300, 2003	<i>Mammillaria wohlschlagerei</i> (ZAC).	Northeast of Fresnillo, east of highway at km 66.5.
WTH 301, 2003	<i>Mammillaria gummifera</i> (ZAC).	On hills southeast of Gonzalez Ortega.
WTH 302, 2003	<i>Mammillaria zacatecasensis?</i> (ZAC).	See WTH 301.
WTH 303, 2003	<i>Mammillaria gummifera</i> (DGO).	North of Cieneguillas.
WTH 304, 2003	<i>Mammillaria stella-de-tacubaya</i> (DGO).	South of Yerbanis.
WTH 306, 2003	<i>Mammillaria guelzowiana</i> (DGO).	On and near the top of rocky hills, north of Rodeo - Nazas road.
WTH 307, 2003	<i>Mammillaria stella-de-tacubaya</i> (DGO).	North of Nazas (road to San Luis del Cordero).
WTH 308, 2003	<i>Mammillaria pachycilindrica</i> (DGO).	See WTH 307.
WTH 309, 2003	<i>Mammillaria pottsii</i> (DGO).	See WTH 307.
WTH 310, 2003	<i>Mammillaria stella-de-tacubaya</i> (DGO).	North of San Pedro del Gallo.
WTH 311, 2003	<i>Mammillaria gummifera</i> (DGO).	North of San Pedro del Gallo, near the top of a rather steep hill.
WTH 312, 2003	<i>Mammillaria stella-de-tacubaya</i> (DGO).	Along MEX-20, west of Mapimi, north of the road.
WTH 313, 2003	<i>Mammillaria heyderi</i> (DGO).	See WTH 312.
WTH 314, 2003	<i>Mammillaria stella-de-tacubaya</i> (DGO).	Along a side-road of MEX-20 (to Santa Librada), west of Mapimi.
WTH 315, 2003	<i>Mammillaria lasiacantha</i> (COAH).	West of the road to Laguna del Rey, south of Charcos de Risa.
WTH 316, 2003	<i>Mammillaria lasiacantha</i> (COAH).	East of Tres Manantiales.
WTH 318, 2003	<i>Mammillaria grusonii</i> (COAH).	East of San Lorenzo (road to Tacubaya), slope of a hill.
WTH 319, 2003	<i>Mammillaria lasiacantha</i> (COAH).	East of San Lorenzo (road to Tacubaya), top of the hill.
WTH 321, 2003	<i>Mammillaria pottsii</i> (COAH).	Road of Viesca to Ahuichila, on the hills.
WTH 322, 2003	<i>Mammillaria lasiacantha</i> (COAH).	See WTH 321, also growing higher up the hill.
WTH 323, 2003	<i>Mammillaria gasseriana</i> (COAH).	South side of the hills at La Cuchilla.
WTH 324, 2003	<i>Mammillaria heyderi</i> (COAH).	First low hills on the road to Talia.
WTH 325, 2003	<i>Mammillaria lasiacantha</i> (COAH).	South of Malanoche, on the top of first hills left of the road.
WTH 331, 2003	<i>Mammillaria winterae</i> (NL).	On low hills north of San Rafael, east of the highway.
WTH 332, 2003	<i>Mammillaria heyderi</i> (NL).	See WTH 331.
WTH 334, 2003	<i>Mammillaria formosa</i> (NL).	On the third hill, see WTH 331.
WTH 335, 2003	<i>Mammillaria formosa</i> (NL).	On the flat part before a hill east of Entronque San Roberto. See WTH 106.
WTH 339, 2003	<i>Mammillaria sempervivi</i> (NL).	North of La Ascension, hill at the location of WTH 209.
WTH 340, 2003	<i>Mammillaria weingartiana</i> (NL).	Just to the south of La Ascension, west of the road.
WTH 341, 2003	<i>Mammillaria crassimamillis</i> (NL).	At km 5 on the road of La Escondida to Aramberri (ML 443).
WTH 344, 2003	<i>Mammillaria formosa</i> (NL).	Between the road and the same hills, on the banks of the river.

WTH 348, 2003	<i>Mammillaria heyderi</i> (NL).	Hills to the south of Hoyita (west of Mier y Noriega, road to Cerros Blancos?).
WTH 349, 2003	<i>Mammillaria formosa</i> (NL).	See WTH 348
WTH 352, 2003	<i>Mammillaria formosa</i> (NL).	Hill close to La Cardona, north of the road.
WTH 353, 2003	<i>Mammillaria pilispina</i> (TAMPS).	Close to the top of a hill, west of Bustamante.
WTH 355, 2003	<i>Mammillaria microthele</i> (TAMPS).	South of Lucio Vazquez, road to Providencia.
WTH 361, 2003	<i>Mammillaria formosa</i> (SLP).	West of Buenavista, in a ditch.
WTH 364, 2003	<i>Mammillaria sempervivi</i> (HGO).	Road from Cardonal to San Pablo Tetlapayac.
WTH 365, 2003	<i>Mammillaria glochidiata xiloensis</i> (HGO).	East of Gilo, growing on volcanic rocks.
WTH 366, 2003	<i>Mammillaria sempervivi</i> (HGO).	Road to Metztitlan, hills behind Buenavista.
WTH 367, 2003	<i>Mammillaria obconella</i> (HGO).	MEX-105, a little south of the turnoff to Metztitlan valley. On volcanic hills.
WTH 368, 2004	<i>Mammillaria albiflora</i> (GTO).	East of highway 57D, along a side-road.
WTH 369, 2004	<i>M. formosa/pseudocrucigera</i> (GTO).	See WTH 368.
WTH 370, 2004	<i>Mammillaria perbella</i> (GTO).	About 5 km west of Pozos, on a hill at the edge of the mountains.
WTH 371, 2004	<i>M. formosa/pseudocrucigera</i> (GTO).	See WTH 370.
WTH 372, 2004	<i>Mammillaria gigantea</i> (GTO).	See WTH 370.
WTH 373, 2004	<i>Mammillaria pseudocrucigera</i> (GTO).	See WTH 286, east of Pozos (lower part of the hill).
WTH 374, 2004	<i>Mammillaria magnimamma</i> (GTO).	In the area just southeast of WTH 286.
WTH 375, 2004	<i>Mammillaria densispina</i> (GTO).	South of San Luis de la Paz, west of the road, in large rocks of the mountains.
WTH 376, 2004	<i>Mammillaria crinita</i> (GTO).	North of Estancia de El Cubo, on large rocks, lower part of the mountains (<i>monancistracantha?</i>).
WTH 377, 2004	<i>Mammillaria crinita</i> (JAL).	On the hills a little before Las Leitras (<i>M. felipensis?</i>).
WTH 378, 2004	<i>Mammillaria crinita</i> (ZAC).	West of Villa de Garcia (<i>M. gilensis?</i>).
WTH 379, 2004	<i>Mammillaria perezdelarosae</i> (ZAC).	See WTH 378 (<i>perezdelarosae</i> ssp. <i>andersoniana</i>).
WTH 380, 2004	<i>Mammillaria petterssonii</i> (AGS).	Hills a little east of Colomos.
WTH 381, 2004	<i>Mammillaria crinita</i> (AGS).	See WTH 380.
WTH 382, 2004	<i>Mammillaria densispina</i> (JAL-AGS).	Near Cienega de Quijas, on the slopes of a hill, between trees.
WTH 383, 2004	<i>Mammillaria crinita</i> (JAL-AGS).	Near Cienega de Quijas, on steep rocks (<i>gilensis?</i>).
WTH 384, 2004	<i>Mammillaria petterssonii</i> aff. (ZAC).	Along the road between Jalpa and Tlaltenango.
WTH 385, 2004	<i>Mammillaria densispina</i> (ZAC).	Along the road between Jalpa and Tlaltenango, rocky area.
WTH 386, 2004	<i>Mammillaria jaliscana</i> (JAL).	Near San Rafael, west of Huejúcar.
WTH 387, 2004	<i>Mammillaria wagneriana</i> (ZAC).	Just west of Ermita de los Correas, slopes of a hill.
WTH 388, 2004	<i>Mammillaria wagneriana</i> (ZAC).	West of Santa Rosa.
WTH 389, 2004	<i>Mammillaria crinita</i> (ZAC).	Between Vicente Guerrero and Ojo de Agua, flat area.
WTH 390, 2004	<i>Mammillaria stella-de-tacubaya</i> (ZAC).	Near Villa Insurgentes, on a hillside.
WTH 391, 2004	<i>Mammillaria gummifera</i> (ZAC).	In a flat area along MEX-45, ca. 20 km east of Sombrerete.
WTH 392, 2004	<i>Mammillaria heyderi</i> aff. (ZAC).	See WTH 391 (<i>M. durangicola?</i>).
WTH 394, 2004	<i>Mammillaria gummifera</i> (ZAC).	On a hill by the lakeside just north of El Cazadero.
WTH 395, 2004	<i>Mammillaria heyderi</i> aff. (DGO).	East of the road, south of Yerbánis (see WTH 304, <i>M. durangicola?</i>).
WTH 396, 2004	<i>Mammillaria stella-de-tacubaya</i> (DGO).	On a hill about 2 km south of Cuencamé.
WTH 397, 2004	<i>Mammillaria pachycilindrica</i> (DGO).	Somewhat west of Nazas, on a hill.
WTH 398, 2004	<i>Mammillaria stella-de-tacubaya</i> (DGO).	See WTH 397; also in the flat area west of the hill.
WTH 399, 2004	<i>Mammillaria stella-de-tacubaya</i> (DGO).	See WTH 306; behind the hill of <i>M. guelzowiana</i> .
WTH 400, 2004	<i>Mammillaria gummifera</i> (DGO).	See WTH 306; on the hill of <i>M. guelzowiana</i> .
WTH 402, 2004	<i>Mammillaria gummifera</i> (DGO).	See WTH 305.
WTH 403, 2004	<i>Mammillaria roczekii</i> (DGO).	Road from El Carmen to Galeana.
WTH 404, 2004	<i>Mammillaria longiflora</i> (DGO).	See WTH 403.
WTH 405, 2004	<i>Mammillaria gummifera</i> (DGO).	See WTH 403.
WTH 406, 2004	<i>Mammillaria heyderi</i> aff. (DGO).	Road to San Diego de Alcalá, gentle slope with grass.
WTH 407, 2004	<i>Mammillaria gummifera</i> (DGO).	Hills about 10 km east of Santiago Papasquiaro, GPS is for roadside.
WTH 408, 2004	<i>Mammillaria gummifera</i> (DGO).	On hills alongside the road from Santiago Papasquiaro to Tepehuanes.

WTH 410, 2004	<i>Mammillaria gummifera</i> (DGO).	On hills alongside the road from Tepehuanes to Santa Maria del Oro.
WTH 411, 2004	<i>Mammillaria longiflora</i> (DGO).	Hill at about the highest point on the road to Santa Maria del Oro.
WTH 412, 2004	<i>Mammillaria stella-de-tacubaya</i> (DGO).	In a calcareous area east of La Puerta de Cabrera.
WTH 413, 2004	<i>Mammillaria egregia</i> (CHIH).	North of the Parral - Jiménez road.
WTH 414, 2004	<i>Mammillaria pottsii</i> (CHIH).	See WTH 413.
WTH 415, 2004	<i>Mammillaria egregia</i> aff. (CHIH).	Southeast of Camargo, road to Ojinaga.
WTH 416, 2004	<i>Mammillaria pottsii</i> (CHIH).	See WTH 415.
WTH 418, 2004	<i>Mammillaria lasiacantha</i> (DGO).	Microondas Conejos.
WTH 419, 2004	<i>Mammillaria pottsii</i> (DGO).	See WTH 418.
WTH 420, 2004	<i>Mammillaria grusonii</i> (COAH).	In the flat area about 15 km southeast of Viesca.
WTH 421, 2004	<i>Mammillaria grusonii</i> (COAH).	On the hills just south of Viesca.
WTH 422, 2004	<i>Mammillaria lasiacantha</i> (COAH).	Puerto de Ventanillas, on the rocky hills east of the road.
WTH 423, 2004	<i>Mammillaria grusonii</i> (COAH).	See WTH 422.
WTH 424, 2004	<i>Mammillaria pottsii</i> (COAH).	See WTH 422.
WTH 425, 2004	<i>Mammillaria grusonii</i> (COAH).	In the hills southeast of El Hundido.
WTH 426, 2004	<i>Mammillaria pottsii</i> (COAH).	See WTH 425.
WTH 427, 2004	<i>Mammillaria lasiacantha</i> (COAH).	About 10 km north of El Hundido, rocky hill east of the road.
WTH 428, 2004	<i>Mammillaria lasiacantha</i> (COAH).	Road to Margarita del Norte, volcanic hill after ca. 2 km.
WTH 430, 2004	<i>Mammillaria lasiacantha</i> (COAH).	Lower part of the hills south of Tacubaya.
WTH 431, 2004	<i>Mammillaria grusonii</i> (COAH).	See WTH 430.
WTH 432, 2004	<i>Mammillaria lasiacantha</i> (COAH).	Hills at Cerro Bola.
WTH 433, 2004	<i>Mammillaria grusonii</i> (COAH).	See WTH 432.
WTH 434, 2004	<i>Mammillaria gasseriana</i> (COAH).	Hills to the northwest of El Amparo (<i>M. viescensis</i>).
WTH 437, 2004	<i>Mammillaria chionocephala</i> (COAH).	Hills west of the Saltillo - Zacatecas road (about 60 km south of Saltillo).
WTH 439, 2004	<i>Mammillaria heyderi</i> aff. (COAH).	Flat area west of the Saltillo - Zacatecas road (about 80 km south of Saltillo).
WTH 440, 2004	<i>Mammillaria chionocephala</i> (ZAC).	Hill north of the road to San José Carbonerillas.
WTH 441, 2004	<i>Mammillaria pottsii</i> (ZAC).	See WTH 440.
WTH 443, 2004	<i>Mammillaria formosa</i> (ZAC).	Hills just north of La Cardona.
WTH 444, 2004	<i>Mammillaria pottsii</i> (ZAC).	See WTH 443
WTH 446, 2004	<i>Mammillaria arroyensis</i> (NL).	Hill at El Cardonal (north of Dr. Arroyo).
WTH 447, 2004	<i>Mammillaria candida</i> (NL).	See WTH 446.
WTH 448, 2004	<i>Mammillaria formosa</i> (NL).	Low hills about 4 km east of Jesús Maria Barones.
WTH 453, 2004	<i>Mammillaria pseudocrucigera</i> (SLP).	Northwest of Venado; hill near the road of Venado to Cerro Blanco.
WTH 454, 2004	<i>Mammillaria magnimamma</i> (SLP).	In the bushes, south of the road to El Peyote.
WTH 455, 2004	<i>Mammillaria crinita</i> (SLP).	See WTH 454 (<i>M. moeller-valdeziana</i>).
WTH 456, 2004	<i>Mammillaria albata</i> (SLP).	Road from Guaxcama to Potrero de Santa Gertrudis, just across the pass.
WTH 457, 2004	<i>Mammillaria crinita</i> (SLP).	West of Laguna Santo Domingo, at the highest point of the road.
WTH 458, 2004	<i>Mammillaria rioverdense</i> aff. (SLP).	See WTH 457.
WTH 459, 2004	<i>Mammillaria gigantea</i> (GTO).	Hill at km 1 of the road to Xichú.
WTH 460, 2004	<i>Mammillaria crinita</i> (duwei) (GTO).	Near the top of the hill at km 1 of the road to Xichú.
WTH 461, 2004	<i>Coryphantha spec.</i> (GTO).	Behind the graveyard along the road to Milpillas (side-road of road to Xichú). Also at the beginning of the same road.
WTH 462, 2004	<i>Mammillaria polythele</i> (GTO).	Hill on the north side of the road to Xichú (<i>M. durispina?</i>).
WTH 463, 2004	<i>Mammillaria gigantea flavovirens</i> (GTO).	Along the side of the road to Xichú, near vertical cliffs.
WTH 464, 2004	<i>Mammillaria rhodantha</i> (GTO).	See WTH 463 (<i>M. pringlei?</i>).
WTH 465, 2004	<i>Mamm. candida</i> (ortiz-rubiona) (GTO).	On canyon walls near Las Adjuntas.
WTH 466, 2004	<i>Mammillaria woodsii</i> (saetigera) (GTO).	See WTH 465.
WTH 467, 2004	<i>Mammillaria albescens</i> (GTO).	Under a bush on a low hill west of Tierra Blanca.
WTH 468, 2004	<i>Mammillaria elongata</i> (QRO).	Along the road from Palmas to Tolimán.
WTH 469, 2004	<i>Mammillaria bernalensis</i> (QRO).	On the hill of WTH 469.

WTH 470, 2004	<i>Mammillaria polythele</i> (QRO).	On a hill along the road from San Pablo Tolimán to Higuierillas.
WTH 471, 2004	<i>Mammillaria crinita</i> (QRO).	On the top of the hill of WTH 471.
WTH 472, 2004	<i>Mammillaria bernalensis</i> (QRO).	On a hill along the road from San Pablo Tolimán to Higuierillas.
WTH 473, 2004	<i>Mammillaria camptotricha</i> (QRO).	See WTH 473.
WTH 474, 2004	<i>Mammillaria longimamma</i> (QRO).	See WTH 473.
WTH 475, 2004	<i>Mammillaria compressa</i> (HGO).	Northeast of Zimapan, near Xindho.
WTH 477, 2004	<i>Mammillaria magnimamma</i> aff. (HGO).	South of Nicolas Flores, on the slopes along the road.
WTH 478, 2004	<i>Mammillaria sempervivi</i> (HGO).	In the bushes along the road from Cardonal to San Pablo Tetlapayac.
WTH 480, 2004	<i>Mammillaria geminispina</i> (HGO).	On a rocky hill, close to San Pablo Tetlapayac.
WTH 481, 2004	<i>Mammillaria seitziana</i> (HGO).	On a steep slope beside the road, just past San Pablo Tetlapayac.
WTH 482, 2004	<i>Mammillaria longimamma</i> (HGO).	On the slopes of the mountains, just across the bridge over the Rio Amajac.
WTH 483, 2004	<i>Mammillaria geminispina</i> (HGO).	See WTH 482.
WTH 484, 2004	<i>Mammillaria seitziana</i> (HGO).	Hill along the road from San Pablo to San Cristobal (on the downhill part).
WTH 485, 2004	<i>Mammillaria magnimamma</i> (HGO).	Hill just past Hualula, along the road to Gilo.
WTH 486, 2004	<i>Mammillaria schiedeana</i> (HGO).	On the steep part of a slope, a few km from Gilo.
WTH 487, 2004	<i>Mammillaria geminispina</i> (HGO).	See WTH 486.
WTH 489, 2004	<i>Mammillaria discolor</i> (HGO).	In open areas of a hill, 2 km on the road to Mineral del Chico.
WTH 490, 2004	<i>Mammillaria rhodantha</i> (HGO).	See WTH 489.
WTH 491, 2004	<i>Mammillaria discolor longispina</i> (HGO).	Near the top of a hill southwest of Apan (rocky area).
WTH 492, 2004	<i>Mammillaria sphacelata</i> (PUE).	On the top of hills at km 66 of the road from Cañada Morelos to Azumbilla.
WTH 493, 2004	<i>Mammillaria uncinata</i> (PUE).	See WTH 492.
WTH 494, 2004	<i>Mammillaria mystax</i> (PUE).	See WTH 492.
WTH 495, 2004	<i>Mammillaria haageana</i> aff. (PUE).	See WTH 492.
WTH 496, 2004	<i>Mammillaria mystax</i> (PUE).	Volcanic low hills at km 71 of the road from Cañada Morelos to Azumbilla.
WTH 497, 2004	<i>Mammillaria sphacelata</i> (PUE).	Hill along the road from Azumbilla to Acultzingo.
WTH 498, 2004	<i>Mammillaria carnea</i> (PUE).	Between the bushes along a dry riverbed, south of Calipan.
WTH 499, 2004	<i>Mammillaria pectinifera</i> (PUE).	On a hill between Tlacotepec and Xochitlán.
WTH 500, 2004	<i>Mammillaria haageana</i> aff. (PUE).	See WTH 499.
WTH 501, 2004	<i>Mammillaria sphacelata</i> (PUE).	See WTH 499.
WTH 502, 2005	<i>Mammillaria magnimamma</i> (HGO)	To the northwest of Tula (west side of the lake).
WTH 503, 2005	<i>Mammillaria compressa</i> (HGO)	Along the road to Vicente Guerrero.
WTH 504, 2005	<i>Mammillaria infernillensis?</i> (HGO)	West of Yethai, hills along unpaved road.
WTH 505, 2005	<i>Mammillaria muehlenpfordtii</i> (GTO)	Southwest of Tierra Blanca, near Cerro Colorado.
WTH 506, 2005	<i>Mammillaria zephyrantoides</i> (GTO)	Nearly flat area just west of La Calera.
WTH 507, 2005	<i>Mammillaria muehlenpfordtii</i> (GTO)	See WTH 508.
WTH 508, 2005	<i>Mammillaria zephyrantoides</i> (GTO)	In the saddle between two hills at the beginning of the road to Xichú.
WTH 509, 2005	<i>Mammillaria polythele</i> (GTO)	Rocky area close to the higher left hill.
WTH 510, 2005	<i>Mammillaria crinita</i> (JAL)	Hills south of El Puesto.
WTH 511, 2005	<i>Mammillaria petterssonii</i> (AGS)	On the flat top of steep hills south of El Maguey.
WTH 512, 2005	<i>Mammillaria bombycina</i> (AGS)	On the steep rocky parts of hills south of El Maguey.
WTH 513, 2005	<i>Mammillaria densispina</i> (AGS)	At around the highest point of the road north of El Labor (on rocks in forest).
WTH 514, 2005	<i>Mammillaria petterssonii</i> (AGS)	See also WTH 513 (both species at both locations).
WTH 515, 2005	<i>Mammillaria crinita</i> aff. (AGS)	Hilly area just before San José de Gracia.
WTH 516, 2005	<i>Mammillaria crinita</i> aff. (AGS)	On the rocks (higher up the hills) between Tepazala and Asientos.
WTH 517, 2005	<i>Mammillaria crinita</i> aff. (ZAC)	Rocky part of hills at El Lobo.
WTH 518, 2005	<i>Mammillaria crinita</i> aff. (ZAC)	Low hills a bit south of La Concepcion.
WTH 519, 2005	<i>Coryphantha clavata</i> (ZAC)	Higher up the hills, some km east of Jaltamate (hooked central spines).
WTH 520, 2005	<i>Mammillaria uncinata</i> (ZAC)	Flat area at low hills west of Nigromante.

WTH 521, 2005	<i>Mammillaria magnimamma</i> (SLP)	Low calcareous hills west of San Luis Potosi.
WTH 522, 2005	<i>Mammillaria formosa</i> (SLP)	See WTH 521.
WTH 523, 2005	<i>Mammillaria bocasana eschauzieri</i> (SLP)	Puente El Tecolote.
WTH 524, 2005	<i>Mammillaria formosa</i> (SLP)	Hills somewhat east of Salinas Hidalgo.
WTH 526, 2005	<i>Mammillaria sinistrohamata</i> (ZAC)	Hills a few km west of El Baluarte.
WTH 527, 2005	<i>Mammillaria stella-de-tacubaya</i> (ZAC)	Almost flat calcareous area, some km west of Valparaiso.
WTH 528, 2005	<i>Mammillaria crinita</i> aff. (ZAC)	Hills south of the road, east of the turnoff to Sain Alto (<i>M. aurihamata</i> ?).
WTH 529, 2005	<i>Mammillaria longiflora</i> (DGO)	On steep hillsides, south of Mezquital. See WTH 529, on rocks higher up the hill. Second location is a few km further north, on rocks close to the roadside.
WTH 530, 2005	<i>Mammillaria senilis</i> (DGO)	
WTH 531, 2005	<i>Mammillaria stella-de-tacubaya</i> (DGO)	On low hills north of Peñon Blanco.
WTH 532, 2005	<i>Mammillaria chionocephala</i> (DGO)	On hills further north of Peñon Blanco.
WTH 533, 2005	<i>Mammillaria stella-de-tacubaya</i> (DGO)	Near a hill about 20 km east of Cuencamé.
WTH 534, 2005	<i>Mammillaria stella-de-tacubaya</i> (DGO)	On the flat top of a low hill, further east of Cuencamé.
WTH 535, 2005	<i>Mammillaria grusonii</i> (DGO)	See WTH 534.
WTH 537, 2005	<i>Mammillaria heyderi</i> (DGO)	Microondas hill, north of Oriente Aguanaval.
WTH 538, 2005	<i>Mammillaria grusonii</i> (COA)	Hill near Doce de Diciembre.
WTH 539, 2005	<i>Mammillaria pottsii</i> (COA)	Hill near Doce de Diciembre.
WTH 541, 2005	<i>Mammillaria pottsii</i> (DGO)	Hills northwest of San Luis del Cordero.
WTH 543, 2005	<i>Mammillaria stella-de-tacubaya</i> (DGO)	Between km 270 and 280 of the road to Parral. Almost flat calcareous area.
WTH 544, 2005	<i>Mammillaria egregia</i> (CHIH)	Calcareous hill at km 45 of the Parral - Jimenez road (El Porvenir).
WTH 545, 2005	<i>Mammillaria egregia</i> (CHIH)	At open calcareous areas in the hills just east of Santa Eulalia.
WTH 546, 2005	<i>Mammillaria lasiacantha</i> (DGO)	On hills west of Tlahualillo.
WTH 547, 2005	<i>Mammillaria lasiacantha</i> (DGO)	On hills west of Tlahualillo (closer to Tlahualillo).
WTH 548, 2005	<i>Mammillaria gasseriana</i> (COAH)	On rather high hills east of El Amparo (<i>M. viescensis</i>).
WTH 552, 2005	<i>Mammillaria magallanii</i> (COAH)	On a hill with volcanic rocks west of Parras.
WTH 553, 2005	<i>Mammillaria heyderi</i> (COAH)	In the mud flats south of Hipolito.
WTH 558, 2005	<i>Mammillaria melanocentra</i> (NL)	Hills to west of Villa de Garcia.
WTH 559, 2005	<i>Mammillaria plumosa</i> (NL)	Between steep rocks.
WTH 560, 2005	<i>Mammillaria heyderi</i> aff. (TAMPS)	Along the sides of a dry river bed, south of San Carlos.
WTH 563, 2005	<i>Mammillaria prolifera</i> (TAMPS)	In the rocks along the sides of the road, south of Ciudad Victoria.
WTH 564, 2005	<i>Mammillaria sphaerica</i> (TAMPS)	At the foot of a hill, under bushes. West of San Antonio.
WTH 565, 2005	<i>Mammillaria heyderi</i> aff. (TAMPS)	At the foot of the same hill as WTH 564. Near the top of the pass south of Ciudad Victoria, on a grassy hill (rosealba?).
WTH 568, 2005	<i>Mammillaria magnimamma</i> (TAMPS)	
WTH 569, 2005	<i>Mammillaria magnimamma</i> (SLP)	East of Ciudad del Maiz, on a hill.
WTH 570, 2005	<i>Mammillaria microthele</i> (SLP)	West of Ciudad del Maiz. On a hill along the road to Monte Bello.
WTH 571, 2005	<i>Mammillaria candida</i> (SLP)	See WTH 570.
WTH 574, 2005	<i>Mammillaria centralifera</i> (SLP)	Hills along the road to Palomas.
WTH 575, 2005	<i>Mammillaria albata</i> (SLP)	On a low hill, south side of the hilly area along the road to Palomas.
WTH 576, 2005	<i>Mammillaria albata</i> (SLP)	On a hill south of Lazaro Cardenas.
WTH 580, 2005	<i>Mammillaria formosa</i> (TAMPS)	Near the top of a hill west of El Gavial.
WTH 582, 2005	<i>Mammillaria pilispina</i> (TAMPS)	Northwest of Tula, hill along the road to El Aguacate. Hills along the road to El Aguacate (mostly on the slopes between two hills).
WTH 585, 2005	<i>Mammillaria pilispina</i> (TAMPS)	
WTH 587, 2005	<i>Mammillaria pilispina</i> (TAMPS)	Hills along the road to Bustamante.
WTH 589, 2005	<i>Mammillaria formosa</i> (TAMPS)	Low hill west of La Joya de Herrera.
WTH 590, 2005	<i>Mammillaria albicoma</i> (TAMPS)	On steep rocks at the western end of a hilly area, west of Miquihuana.
WTH 591, 2005	<i>Mammillaria heyderi</i> aff. (TAMPS)	See WTH 590, in the flat area before the hill.
WTH 593, 2005	<i>Mammillaria heyderi</i> aff. (NL)	In the flat area south of Cruz de Elorza.
WTH 595, 2005	<i>Mammillaria formosa</i> (NL)	On a hill to the west of Cruz de Elorza, near the highway.

WTH 596, 2005	<i>Mammillaria wohlschlagerei</i> (SLP)	On gentle slopes along the river. North of Real de Catorce.
WTH 597, 2005	<i>Mammillaria formosa</i> (SLP)	On a hill to the east of Encarnacion de Abajo.
WTH 599, 2005	<i>Mammillaria bocasana</i> (SLP)	Under bushes at the foot of a hill to the east of Derramaderos.
WTH 600, 2005	<i>Mammillaria decipiens</i> (SLP)	See WTH 599.
WTH 601, 2005	<i>Mammillaria formosa</i> aff. (SLP)	See WTH 599.
WTH 603, 2005	<i>Mammillaria formosa</i> (SLP)	Very low calcareous hill (nearly flat) south of Corazones.
WTH 604, 2005	<i>Mammillaria crinita</i> aff. (SLP)	On a volcanic rock just past La Tinaja.
WTH 605, 2005	<i>Mammillaria bocasana</i> (SLP)	See WTH 604.
WTH 606, 2005	<i>Mammillaria gigantea</i> (GTO)	On a low hill along the road to Manzanares, east of San Luis de la Paz.
WTH 607, 2005	<i>Mammillaria muehlenpfordtii</i> (GTO)	See WTH 606.
WTH 608, 2005	<i>Mammillaria magnimamma</i> (GTO)	On a low hill along the road to Santiaguillo, east of San Luis de la Paz.
WTH 609, 2006	<i>Mammillaria rhodantha</i> aff. (MEX)	In the steep walls of the river which flows under the Arcos del Sitio aqueduct.
WTH 610, 2006	<i>Mammillaria pringlei</i> (MEX)	In the steep walls along the railroad track (Cañon de Tultenango).
WTH 611, 2006	<i>Mammillaria crinita</i> aff. (JAL)	In rocky areas behind the reservoir at Paso de Cuarenta.
WTH 612, 2006	<i>Mammillaria perezdelarosae</i> (JAL)	On two rocks in the hills south of El Puesto.
WTH 613, 2006	<i>Mammillaria crassa?</i> (AGS)	Along the road from El Ocote to Tapias Viejas.
WTH 614, 2006	<i>Mammillaria crinita</i> aff. (AGS)	See WTH 613, higher up.
WTH 615, 2006	<i>Mammillaria perezdelarosae</i> (AGS)	See WTH 613, on the steep high rocks (south side of the road) and on the lower rocks (north side of the road).
WTH 616, 2006	<i>Mammillaria petterssonii</i> (AGS)	Near a barranca on the unpaved road to Calvillo.
WTH 617, 2006	<i>Mammillaria crinita</i> aff. (ZAC)	Near rest area along the toll road from Aguascalientes to Zacatecas.
WTH 618, 2006	<i>Mammillaria wagneriana</i> (ZAC)	See WTH 617.
WTH 619, 2006	<i>Mammillaria wohlschlagerei</i> (ZAC)	In the almost flat area near calcareous hills west of Laguna Seca.
WTH 620, 2006	<i>Mammillaria magnimamma</i> (ZAC)	See WTH 619, on the slopes of the hills.
WTH 621, 2006	<i>Mammillaria lasiacantha</i> aff. (ZAC)	North of Zacatecas (hilly area near Puerto Madero).
WTH 622, 2006	<i>Mammillaria formosa</i> (ZAC)	See WTH 621.
WTH 624, 2006	<i>Mammillaria wohlschlagerei</i> (ZAC)	On hills near Rancho Nuevo (south of La Cardona).
WTH 625, 2006	<i>Escobaria chaffeyi</i> (ZAC)	On the top of the pass between Concepción del Oro and Mazapil.

WTH 629, 2006	<i>Mammillaria meiacantha</i> (ZAC)	Calcareous slopes near La Maroma.
WTH 630, 2006	<i>Mammillaria pottsii</i> (COAH)	On some low hills east Melchor Ocampo.
WTH 632, 2006	<i>Mammillaria chionocephala</i> (ZAC)	On some hills north of Terminal de Providencia. Also here <i>M. pottsii</i> and <i>M. meiacantha</i> .
WTH 633, 2006	<i>Mammillaria pottsii</i> (COAH)	Northwest of General Cepeda (La Puerta).
WTH 634, 2006	<i>Mammillaria chionocephala</i> (COAH)	See WTH 633.
WTH 635, 2006	<i>Mammillaria meiacantha</i> (COAH)	On low hills near Cienega del Carmen.
WTH 636, 2006	<i>Mammillaria pottsii</i> (COAH)	See WTH 635.
WTH 637, 2006	<i>Mammillaria pottsii multicaulis</i> (COAH)	On hills southeast of Torreón (near Durango border).
WTH 638, 2006	<i>Mammillaria lasiacantha</i> aff. (COAH)	See WTH 637.
WTH 639, 2006	<i>Mammillaria zeyeriana</i> (COAH)	See WTH 637.
WTH 640, 2006	<i>Mammillaria stella-de-tacubaya</i> (DGO)	On low hills west of Ceballos.
WTH 641, 2006	<i>Mammillaria stella-de-tacubaya</i> (DGO)	On low hills east of El Portento.
WTH 642, 2006	<i>Mammillaria heyderi</i> aff. (DGO)	See WTH 641.
WTH 643, 2006	<i>Mammillaria pottsii</i> (DGO)	On hills east of San Fermin.
WTH 643A, 2006	<i>Mammillaria stella-de-tacubaya</i> (DGO)	See WTH 643.
WTH 644, 2006	<i>Coryphantha kracikii?</i> (DGO)	See WTH 643.
WTH 646, 2006	<i>Mammillaria stella-de-tacubaya</i> (CHIH)	On the slopes of a hill northwest of Puerto del Lobo.
WTH 647, 2006	<i>Mammillaria pottsii</i> (CHIH)	See WTH 646.
WTH 650, 2006	<i>Escobaria chihuahuensis</i> (CHIH)	Near the mountains west of Aldama.
WTH 651, 2006	<i>Mammillaria gummifera</i> (CHIH)	Higher up the hills along the unpaved road to Bellavista.
WTH 652, 2006	<i>Mammillaria lasiacantha</i> (CHIH)	On low hills south of Villa Ahumada y Anexas.

WTH 653, 2006	<i>Mammillaria grahamii</i> (CHIH)	See WTH 652.
WTH 657, 2006	<i>Mammillaria wrightii</i> (CHIH)	Near top of pass between Buenaventura and Ignacio Zaragoza.
WTH 659, 2006	<i>Mammillaria gummifera</i> (CHIH)	On a hill east of Ciudad Guerrero. Near La Calera.
WTH 660, 2006	<i>Mammillaria saboae</i> (CHIH)	In gravel at Fosa El Manzano.
WTH 661, 2006	<i>Mammillaria barbata</i> (CHIH)	A little west of Tomochi, in a rocky area.
WTH 663, 2006	<i>Mammillaria haudeana</i> (SON)	In gravel east of Yécora. At km 309.
WTH 664, 2006	<i>Mammillaria haudeana</i> (SON)	Just a little east of Yécora, opposite the school.
WTH 665, 2006	<i>Mammillaria wilcoxii</i> (SON)	See WTH 664.
WTH 666, 2006	<i>Mammillaria grahamii/sheldonii</i> (SON)	On a rather steep hill north of San Nicolás.
WTH 667, 2006	<i>Mammillaria grahamii</i> (SON)	Low hills south of Sahuaripa.
WTH 668, 2006	<i>Mammillaria mainiae</i> (SON)	See WTH 667.
WTH 669, 2006	<i>Mammillaria grahamii</i> (SON)	Rather flat area just past the mountains west of Sahuaripa.
WTH 670, 2006	<i>Mammillaria mainiae</i> (SON)	See WTH 669.
WTH 671, 2006	<i>Mammillaria grahamii</i> (SON)	Hills north of Sahuaripa.
WTH 672, 2006	<i>Mammillaria grahamii</i> (SON)	Hills south of Tepache.
WTH 673, 2006	<i>Mammillaria mainiae</i> (SON)	See WTH 672.
WTH 674, 2006	<i>Mammillaria grahamii</i> (SON)	On hills in a mountainous area west of Moctezuma.
WTH 675, 2006	<i>Mammillaria miegiana</i> (SON)	See WTH 674.
WTH 676, 2006	<i>Mammillaria grahamii</i> (SON)	On low hills east of Ures (many in roadside cliffs).
WTH 677, 2006	<i>Mammillaria grahamii</i> (SON)	Hill with radio station, just south of the centre of Hermosillo.
WTH 679, 2006	<i>Mammillaria grahamii/sheldonii</i> (SON)	Flat area before the mountains, road near the Cajon del Diablo region.
WTH 681, 2006	<i>Mammillaria grahamii/sheldonii</i> (SON)	On a low isolated hill along the road to Bahía de Kino.
WTH 682, 2006	<i>Mammillaria bocensis</i> (SON)	In the flat area along the road to Guásimas.
WTH 683, 2006	<i>Mammillaria sheldonii</i> (SON)	See WTH 682.
WTH 685, 2006	<i>Mammillaria bocensis</i> (SIN)	Near a chapel (GPS) on the road to Cosala (both sides of the road).
WTH 686, 2006	<i>Mammillaria beneckeii</i> (SIN)	Between the trees on the north side of Rio Elota.
WTH 687, 2006	<i>Mammillaria bocensis</i> (SIN)	On the hills just north of the bridge across the Rio Piaxtla.
WTH 688, 2006	<i>Mammillaria mazatlanensis</i> (SIN)	See WTH 687.
WTH 689, 2006	<i>Mammillaria beneckeii</i> (MICH)	North of Nueva Italia, near the waterfall.
WTH 690, 2006	<i>Mammillaria beneckeii</i> (MICH)	Between bushes and trees on a hillside. Zicuirán to Churumuco road.
WTH 692, 2006	<i>Mammillaria beneckeii</i> (MICH)	On a low hill with view of the lake.
WTH 694, 2006	<i>Mammillaria beneckeii</i> (MICH)	See WTH 693.
WTH 696, 2006	<i>Mammillaria scrippsiana</i> aff. (GRO)	In roadside cliffs, 5 km past the top of the pass (road to Ciudad Altamirano).
WTH 697, 2006	<i>Mammillaria gasterantha</i> (GRO)	On the granite rocks east of Teloloapan.
WTH 698, 2006	<i>Mammillaria supertexta</i> (GRO)	On hills along the road from Teloloapan to Iguala.
WTH 699, 2006	<i>Coryphantha bumamma</i> (GRO)	On a low hill, northeast of Cocula (road to Xonacatla).
WTH 700, 2006	<i>Mammillaria guerreronis</i> (GRO)	On the hills along the north side of the Rio Balsas.
WTH 701, 2006	<i>Mammillaria beneckeii</i> (MICH)	On a low hill east of the road to San Miguel Tecuixiapan, between the bushes.
WTH 702, 2006	<i>Mammillaria supertexta</i> (GRO)	Hill near vertical cliffs (road to San Miguel Tecuixiapan).
WTH 703, 2006	<i>Mammillaria guerreronis</i> (GRO)	Near the top of a hill (road to San Miguel Tecuixiapan).
WTH 704, 2006	<i>Mammillaria supertexta</i> (GRO)	At a vertical cliff, near the beginning of the road to San Miguel Tecuixiapan
WTH 705, 2006	<i>Mammillaria bella</i> (GRO)	On granite rocks along the road from Iguala to Taxco.
WTH 706, 2007	<i>Mammillaria gasseriana</i> (DGO)	On a hill south of La Unión.
WTH 708, 2007	<i>Mammillaria lenta</i> (COAH)	On the lower, less steep slopes of the mountains east of La Cuchilla.
WTH 709, 2007	<i>Mammillaria zeyeriana</i> (COAH)	In a valley south of Viesca.
WTH 710, 2007	<i>Mammillaria lasiacantha</i> aff. (COAH)	On the mountain slopes near Venustiano Carranza (M. chica).
WTH 711, 2007	<i>Mammillaria grusonii</i> (COAH)	On the mountain slopes near Venustiano Carranza (M. chica).
WTH 712, 2007	<i>Mammillaria wagneriana</i> (ZAC)	At the foot of the Tetilla Grande hill.
WTH 713, 2007	<i>Mammillaria crinita</i> (ZAC)	On rocky outcrops near the top of the Tetilla Grande hill.
WTH 714, 2007	<i>Mammillaria crinita</i> (ZAC)	On rocky outcrops about 20 km southwest of Fresnillo.

WTH 715, 2007	<i>Mammillaria wagneriana</i> (ZAC)	In the grass fields in front of the hills.
WTH 717, 2007	<i>Mammillaria heyderi</i> (ZAC)	In the grass fields in front of the hills.
WTH 719, 2007	<i>Mammillaria wohlschlagerei</i> (ZAC)	In almost flat calcareous area north of Noria del Cerro.
WTH 720, 2007	<i>Mammillaria magnimamma</i> (ZAC)	Near the hills north of El Saucito, also see WTH 719.
WTH 721, 2007	<i>Mammillaria crinita</i> (ZAC)	Just north of Noria del Cerro, along the roadside.
WTH 722, 2007	<i>Mammillaria grusonii</i> (DGO)	On a hill, ca. 10 km on the road to Santa Clara.
WTH 723, 2007	<i>Mammillaria pachycylindrica</i> (DGO)	On a hill, 1 km on the road to Veinte Amigos.
WTH 724, 2007	<i>Mammillaria stella-de-tacubaya</i> (DGO)	On a hill west of Nazas.
WTH 725, 2007	<i>Mammillaria pottsii</i> (DGO)	Just north of 10 de Abril.
WTH 726, 2007	<i>Mammillaria stella-de-tacubaya</i> (DGO)	Just south of Alamillo, on a hill.
WTH 728, 2007	<i>Mammillaria stella-de-tacubaya</i> (DGO)	5 km west of WTH 641, at some hills.
WTH 729, 2007	<i>Mammillaria stella-de-tacubaya</i> (DGO)	4 km west of WTH 640, on an almost flat slope.
WTH 730, 2007	<i>Coryphantha poselgeriana</i> (DGO)	4 km west of WTH 640, on an almost flat slope.
WTH 731, 2007	<i>Mammillaria lasiacantha</i> (DGO)	On the lower slopes of mountains northwest of Gomez Palacio.
WTH 732, 2007	<i>Mammillaria lasiacantha</i> (DGO)	On a hill northwest of San Isidro.
WTH 733, 2007	<i>Mammillaria lasiacantha</i> (COAH)	On a hill south of El Esterito.
WTH 734, 2007	<i>Mammillaria heyderi</i> (COAH)	On a hill south of El Esterito.
WTH 735, 2007	<i>Mammillaria lasiacantha</i> (COAH)	On a hill southeast of Juan Eugenio.
WTH 736, 2007	<i>Mammillaria stella-de-tacubaya</i> (COAH)	Southeast of Pozo de Calvo, on or near low hills.
WTH 737, 2007	<i>Mammillaria heyderi</i> (COAH)	Southeast of Pozo de Calvo, on or near low hills.
WTH 738, 2007	<i>Mammillaria lasiacantha</i> (COAH)	On a hill west of La Rosita.
WTH 739, 2007	<i>Mammillaria pottsii</i> (COAH)	East of Tanque Nuevo.
WTH 740, 2007	<i>Mammillaria lasiacantha</i> (COAH)	On hills northwest of Cuatrociénegas.
WTH 742, 2007	<i>Mammillaria lenta</i> (COAH)	Venustiano Carranza hill east of Cuatrociénegas.
WTH 748, 2007	<i>Mammillaria prolifera</i> (COAH)	Ca. 130 km north of Melchor Muzquiz.
WTH 749, 2007	<i>Mammillaria lasiacantha</i> (COAH)	East of Las Coloradas.
WTH 752, 2007	<i>Mammillaria formosa</i> (COAH)	East of MEX-57 and Arteaga.
WTH 754, 2007	<i>Mammillaria formosa</i> (ZAC)	Just south of Puerto Rocamontes.
WTH 755, 2007	<i>Mammillaria heyderi</i> (ZAC)	In flat area east of Morelos.
WTH 756, 2007	<i>Mammillaria moelleriana</i> (ZAC)	On rocks near Presa de Linares.
WTH 758, 2007	<i>Mammillaria wagneriana</i> (ZAC)	Along the roadside at ca. km 50 of the Fresnillo - Valparaiso road.
WTH 759, 2007	<i>Mammillaria crinita</i> (ZAC)	In a barranca at Calerilla.
WTH 760, 2007	<i>Mammillaria uncinata</i> (ZAC)	Along an unpaved road west of Ojo Caliente.
WTH 761, 2007	<i>Mammillaria crinita</i> (ZAC)	On calcareous areas of a hill west of Pánfilo Natera.
WTH 762, 2007	<i>Mammillaria magnimamma</i> (ZAC)	On almost flat calcareous areas west of Pánfilo Natera.
WTH 764, 2007	<i>Mammillaria crinita</i> (SLP)	near a low rocky hill north of San Pablo.
WTH 765, 2007	<i>Mammillaria lloydii</i> (ZAC)	At rocky outcrops of hills south of Santa Gertrudis.
WTH 766, 2007	<i>Mammillaria bocasana</i> (ZAC)	At rocky outcrops of hills south of Santa Gertrudis.
WTH 767, 2007	<i>Mammillaria formosa</i> (SLP)	Along the side of a dry stream, west of Temascal.
WTH 768, 2007	<i>Mammillaria decipiens</i> (SLP)	On a rocky hill near Temascal.
WTH 769, 2007	<i>Mammillaria lloydii</i> (SLP)	On steep rocks alongside a river east of Temascal.
WTH 771, 2007	<i>Mammillaria magnimamma</i> (SLP)	Cerritos de Bernal (road to Santo Domingo).
WTH 772, 2007	<i>Mammillaria heyderi</i> (SLP)	East of Wadley, in rather flat area.
WTH 773, 2007	<i>Mammillaria picta</i> (SLP)	Near La Boca, along a dry river.
WTH 774, 2007	<i>Mammillaria candida</i> (SLP)	West of Buenavista (east of Matehuala).
WTH 778, 2007	<i>Mammillaria heyderi</i> (SLP)	East of El Huizache in mud flats.
WTH 780, 2007	<i>Mammillaria uncinata</i> (SLP)	In flat area along the road to Villa de Arista.
WTH 781, 2007	<i>Mammillaria crinita</i> (SLP)	In flat area along the road to Villa de Arista.
